June 5, 2018

The Yarmouth Village Improvement Society held its 2018 Annual Meeting on June 5, 2018 at 1 pm at Skyline Farms Carriage Museum. Following a tour of the Museum, a carriage driving demonstration and a catered lunch the members were brought to order for the Annual Meeting.

Linda Grant, President, gave the Annual Report, sighting the activities of the organization for the year 2017-18

Barbara Parkhurst, Treasurer, presented the Treasurer's Report. The organization is up to date but this year more money has been spent than budgeted due to the Railroad Station not be leased. All of the expenses for the building came out of our Treasury instead of from lease payments. We will continue to pay all those expenses as utilities, propane, taxes and insurance until the building is sold.

Eleanor Vigue, Nominating Chair, presented the following members to be voted in as Trustees for three year terms: Julie Benavides, Laurie Broberg, Linda Grant, Liz Marin, Barb Parkhurst. Term is 2018-21.

The meeting was adjourned at 1:30PM.

Respectfully submitted by Linda Grant, for Secretary Laurie Broberg
